

Thirty years is a long time....Thirty years in the career of a person is a long time....Thirty years as a career with the same organization is a long time....Thirty years is a lot to be thankful for.

The Board of Directors of Rehoboth Christian Ministries is very thankful for the thirty years that Mr. Walter (Wally) Mulder has served as Chief Executive Officer (CEO) of Rehoboth Christian Ministries. Wally joined our ministry in 1981, and has through the years guided the organization with commitment, love and passion.

Wally has given notification to the Board that he will be retiring effective June 30, 2012. The Board has begun the recruitment process and will be conducting an extensive search for qualified candidates, both internal and external to our ministry. Individuals interested in applying for the CEO position are encouraged to refer to our website at [www.rehoboth.ab.ca](http://www.rehoboth.ab.ca). We will provide you with an update on our progress at our Annual General Meeting in June, or before if appropriate.

The Board is committed to serving the individuals entrusted in our care, their families, our employees, and members within our ministry. We are blessed and thankful for your continuing commitment to Rehoboth Christian Ministries.

Yours truly,
