October is Membership Month

Once again, Rehoboth's Annual Membership Drive is upon us! This membership drive is crucial to the operations of our programs to ensure that the individuals we serve can continue to flourish in all they do.

There are many reasons to support Rehoboth and the men and women we support. Some of these are deeply personal to our current members, and are often linked tightly to their lives of faith and conviction.

In more general terms, Rehoboth members are interested in supporting the work of Rehoboth Christian Ministries, and this support helps us to:

- Develop, improve and deliver effective Residential, Vocational, Employment, and Respite Programs
- Strengthen our profile and success across Alberta as a leading service provider with a Christian foundation
- Educate and make the public aware of the needs, rights and abilities of people who live with disabilities
- Flourish through the prayers of our members and supporters

As a member, you are entitled to:

- Receive regular updates on Rehoboth's work through the *Flourish!* newsletter and our website: www.rehoboth.ab.ca
- Voting privileges on decisions needed at Rehoboth Christian Ministries' Annual General Meeting every June, or at Special Meetings
- Advocate for Rehoboth and the people we support, as someone with a vested interest, to government leaders and decision-makers

October is Membership Month. Please renew your annual membership. If you're not a current member, please consider becoming one as an individual, or as a couple or an entire family.

Thank you. May God bless you and your generosity.

FROM THE REHOBOTH BOARD

A REHOBOTH PIONEER

We take a moment to remember Jane Brouwer, a Rehoboth pioneer, who was called to glory by her LORD this past June.

Following are excerpts from a December 2008 Rehoboth newsletter article, which salutes the enormous contributions of Jane; it was written by our own Janice Gerbrant, now Director of Corporate Services.

One of the individuals involved in the advent of Rehoboth is still involved today after 33 years. Jane Brouwer is that individual. She is a person who has given of herself for many years in order to "make room" for individuals with disabilities.

Jane recalls in the beginning that there was not enough staff to work shifts, so parents and volunteers worked weekends to give staff time off.

Jane states the reason that she has worked so long and hard for and with (Rehoboth) was to ensure that her daughter and others like her would have a home to live in that wasn't with family and not in a government institution.

Jane has volunteered as a cook in the Camp Program for 10 years. She has served on the Camp Committee for two terms. She and her husband, Adrian, were camp caretakers for two and a half years. In June 2008, Jane completed yet another six-year term on the Board of Directors. She has also volunteered for countless hours in our store, at the Talent Connection, and...continues in her second term as a member of the Stony Plain Advisory Committee.

God has graciously given so much to Rehoboth through her. Thank you, Jane!

WELCOME TO JOY MONSMA

This past June, the Rehoboth Board of Directors bid farewell to Henry Vansteenbergen and its President, Brian de Haan. Both Brian and Henry had completed two consecutive three-year terms – six years in which the board and all of Rehoboth were richly blessed by their leadership and wisdom.

Yet, in saying goodbye, we also say hello – hello to incoming board member, Joy Monsma who brings an enormous amount of talent and experience to Rehoboth.

Joy is the Chief Difference Maker at Teneo Consulting Inc., providing Organizational Development expertise.

She is trained as a Six Sigma Blackbelt, holds a Masters of Business Administration, and is the licensee for DisruptHR in northern Alberta. Her work includes managing change, engaging people, setting strategy, counselling leaders, writing, and public speaking. Solving people and process puzzles is what makes her heart sing.

Joy and her husband Greg reside on an acreage near Edmonton and attend Covenant Christian Reformed Church. With their own children grown and married, they are now welcoming grandchildren into their family. In between, family, church, and community commitments they enjoy exploring the world.

Thank you, Joy, for your willingness to serve in continuing to further our mission, that "Rehoboth conveys God's love to persons with disabilities and their families by making room for them and enabling them to flourish."

JOYFUL NOISE CHOIR CELEBRATES 40 YEARS

Rehoboth’s ambassadors celebrate 40 years of joint work in developing Camp Rehoboth and encouraging congregations across Alberta to support Rehoboth’s ministry.

Over that time, 676 children from the Edmonton region have been involved in the choir. A short film trailer is posted on the choir’s Facebook page, “thejoyfulnoisechoir”.

To celebrate, the choir has invited the alumni to join them in a *Harvest of Praise* on **November 17** at West End Christian Reformed Church (7:00 pm).

In addition, the choir will follow their theme in church services at the following locations:

Woodynook CRC	Lacombe	September 9
First CRC	Edmonton	September 23
Fellowship CRC	Edmonton	October 21
Grande Prairie Community		October 27
La Glace Community		October 28
West End CRC	Edmonton	November 18
Covenant CRC	Edmonton	December 2
Trinity CRC	Edmonton	January 6, 2019

FUNDRAISING

REHOBOTH 2018 GOLF TOURNAMENTS RAISE \$106,000

Stony Plain Golf Classic

On June 2nd, 84 golfers participated in the 28th Annual Golf Classic. We raised \$36,000 that will help build a new cabin at our Rehoboth Camp near Gull Lake.

We want to thank our many sponsors and all of the golfers for their ongoing support of the Annual Golf Classic.

Calgary Golf Tournament

Rehoboth Calgary hosted its 21st Annual Golf Classic at Redwood Meadows on May 28th. This year's tournament was attended by 72 golfers and raised \$22,000, which will be used to enhance life skills and educational programs for the clients that are supported in the residential and vocational programs.

Thank you to all of our golfers and sponsors for their ongoing support.

Coaldale Golf Tournament

On May 26th, 2018 Rehoboth Coaldale hosted its 25th Annual Golf Classic at the beautiful Paradise Canyon Golf Resort in Lethbridge. One hundred and nine golfers come out to play, and raised \$48,000. which will be used for various projects in the Coaldale/Lethbridge area.

A special thanks to all participants and our many sponsors!

CAR SHOW & SHINE

This year Edmonton Region put on their 2nd annual Car Show & Shine on July 28, 2018. It was a very successful event with 50 vehicles on show, doubling last year's number.

Show and Shine attendees enjoyed a pancake breakfast, an afternoon BBQ, and the kids had a blast in the Kids Zone, complete with games and prizes. The DJ entertained everyone with music and announcements throughout the day, and the concession kept everyone full with cotton candy, popcorn, and other treats. All this plus a silent auction, a car boot sale, and free popsicles handed out by 102.3 NOW! Radio.

Feedback from participants was that it was a great day and a good show. We look forward to another successful event next year where we hope to see even more fine cars and trucks.

Thank you to all the many volunteers that made this day a success!

WHAT A WONDERFUL DAY

There is no greater feeling than having your bags packed and knowing you're to explore the Rocky Mountains and beautiful scenery that Alberta and British Columbia have to offer. Two individuals we support in South Region, Andrew and Gabriel, had planned for and prayed about this trip for three months and their guardians and staff were very happy to support them.

Emerald Lake – it's WOW like Andrew said! The lake was stunning and unbelievable. The boys took their snacks with pop and sat down to watch people canoe, which they enjoyed very much. At the Takakkaw Falls, Andrews & Gabby were amazed at the mountain scenery. They stood up and struck their poses beside majestic and powerful waterfalls. At Moraine Lake they took in the stunning view of turquoise water and surrounding mountains. They were still ready every moment to have their photos taken with great wide smiles.

In Lake Louise we spent more hours there because we roamed around the biggest hotel in Alberta and went down to the lake. In the early evening we went back to Calgary and both young men felt tired, but with so much joy and happiness from their trip as you can see by the smiles on their faces.

Having this kind of trip to explore an amazing part of the world helps Andrew and Gabriel to flourish in their lives, and to be included in an experience of appreciating the beautiful wonders in this world is a phenomenal feeling.

THE HARDWORKING MARK

Mark Tadeja is one of the happiest and most hardworking individual in the Rehoboth Vocational Program in Calgary. He likes to socialize with everybody, especially his peers and staff. He is also into music; sometimes he plays the guitar or piano. Mark takes public transit independently, going back and forth to the office.

Mark has been employed with Rehoboth as a Regional Support Worker since August 29, 2016, working four hours a week. He cleans the administration washrooms and windows, dusting of all common areas, vacuuming the carpet, and collecting the garbage. In addition, he also mops the vocational area, as well as the staff and devotion rooms. Mark likes working on his own, so staff checks on him from time to time.

Mark is really working hard in his paid job and he is very excited every time he gets his pay. He will tell the staff about how he loves cars and that one day, he wants to drive his own.

Way to go, Mark!

JOHN, AT HOME AND AWAY

John Snoeyer recently moved into a house in Coaldale with a roommate. He has enjoyed getting out into his community and getting to know his peers by participating in activities such as wiener roasts, dinners together, and local community events. He is enjoying having his own home and expanding his home living skills.

John has attended numerous Show and Shines and has been making use of the local pool. He loves helping people, such as cutting the lawn at a peer's house or shoveling snow. He also has been bowling, going out to movies, and on drives to look at old trucks.

John is a fan of *The Dukes of Hazzard* and old country music. He also has a large collection of hats and model cars.

JESSICA USES HER "VOICE"

For anyone, it's hard to start somewhere new and to be able to connect with people. Jessica has faced an extra challenge because of how she is able to communicate. She uses some adapted ASL (American Sign Language) and other gestures that may be hard to recognize for those who don't know her well. To help people understand her, Jessica and her supports taught her peers some of her regular signs. This was very meaningful to her as it helped her peers understand her better and to be able to initiate interactions with her as well.

Jessica is a very loving person and likes to show this by greeting and hugging everyone she meets. She enjoys being around others and desires to make new friends. She has learned to ask her friends and staff for hugs and to greet people with her adapted sign language. Jessica has learned to sign "friend" and uses it frequently to refer to her peers.

Jessica also faced the challenge of learning new ways to contribute to her community after she completed school. But each year she continues to grow and master new tasks or skills that may have seemed impossible before. Jessica works alongside some of her friends at the New to You thrift store. Break time is a much-anticipated opportunity to build on her existing friendships and create new ones too.

Despite significant challenges throughout her life journey, Jessica continues to embrace life with exuberance and joy. We are so glad to be a part of her support team!

LOUISE: AT WORK WITH A SMILE!

Louise has worked at Rehoboth for 15 years now. She has participated in contract work in our Coaldale vocational centre and is an asset in the greenhouse during peak times of the year. Louise has exceptional customer service skills and can often be found in the storefront assisting people.

This year Louise has begun some new projects and seems to be finding herself more and more active in the community. This winter Louise was on call to shovel snow for an elderly couple in the neighborhood and did so happily, kindly and always with a smile on her face. Louise also took on a couple more projects which include recycling for McDonalds, lawn mowing and yard maintenance. Louise doesn't stop there though; in her spare time you will find her volunteering her time at Bibles for Missions in Lethbridge.

Louise is a remarkable young woman and an asset to our team here at Rehoboth, as well as to our community. She is kind, loving, funny and always happy to lend a hand. We are proud to know Louise and look forward to watching her continue to flourish!

SCOTT'S LIFELONG LEARNING

Scott Maki has lived many years on a beautiful acreage south of Spruce Grove surrounded by God's picturesque view of nature and wildlife. He shares this tranquil residence with his two long term roommates whom he loves to tease and joke with on a regular basis. Scott's loving disposition allows him to make friends easily and his smile is sure to win you over.

With the support and encouragement of his loving family and consistent great supportive staff, Scott's 24 year journey with Rehoboth has seen him visibly progress, mature and flourish year after year to become the man he is today. A man who is filled with both pleasure and pride for the milestones he has reached, while enjoying the verbal praise and high fives from those who assist him both vocationally and residentially.

Scott has learned much to increase his level of independence over the years in life skills, home living skills, cooking and personal care. The greatest skill has been his increased vocabulary, enabling him to say the names of many important family members and staff that support him each day. His desire and willingness to learn how to more effectively communicate and hold simple conversations has opened the door to possibilities for others to have a chat with him and get to know how great he is.

If you see Scott out and about in the community, at camp or at work don't hesitate to say hello. Scott will greet you with a big smile and start a conversation.

SELF DETERMINATION

May 10th of this year marked a significant day for Michelle Sandvold. With her self determination to get a Learner Operator's Licence, she was finally able to accomplish that goal.

After a couple of months of hard work, studying and attending a learning class, Michelle wrote her test and passed with flying colours. Her journey to this point was a bit rocky at first, having a hard time reading the Alberta drivers manual and almost giving up at some points. With staff's adequate support and assistance and a friend's encouragement in helping her achieving this goal empowered Michelle to continue. It's something she can be proud of. It is not about having a physical limitation that may hinder her in pursuing her dreams, but instead focusing on what she can do: making progress and flourishing!

She is taking it one step at a time, but her next goal is to head to Edmonton where she will take a driving course to use hand controls as she cannot use her feet. And then to buy herself a fancy van all of her own! We are so proud of you, Michelle; congratulations on this huge achievement.

She is taking it one step at a time, but her next goal is to head to Edmonton where she will take a driving course to use hand controls as she cannot use her feet. And then to buy herself a fancy van all of her own! We are so proud of you, Michelle; congratulations on this huge achievement.

MONA FLOURISHES

Mona has been with Rehoboth since the existence of the Northwest region. In fact, she was our first client when Rehoboth began providing services in Grande Prairie.

Mona is determined to learn new skills such as answering phone calls with minimal prompts from her support staff. Mona was able to develop and flourish that skill in a matter of four months and continues to work on this skill. Staff give positive feedback and reinforcement when she is doing a great job.

Mona also is very social and interacts well with members of the community. She has an awareness of traffic and personal safety, and she enjoys listening to music and reading books.

Mona's determination has been a key part of her personal growth over the last few years, and it will continue to be so in future successes.

SINGING FROM THE HEART

The Retirement Program in Lethbridge has been very busy volunteering in and around our community. One of our most recent volunteer opportunities has allowed us to perform as a choir in a few of the retirement lodges within Lethbridge.

Here is some background on how this wonderful opportunity came to be. Every year we put together a Christmas program in which we perform in front of the people we support, guardians/family members, and community members. This has grown into a program that is driven by the love of music, singing and entertaining.

To share more of this enthusiasm, love and passion for music, we decided to put together a choir and possibly perform for others within the community. So, this is how the Rehoboth Retirement Choir was formed. We started by picking songs and then scheduling practices after the karaoke program every Tuesday morning.

Then one day we found an ad on Volunteer Lethbridge that asked for individuals or groups to come and perform for the residents in a retirement lodge. We decided to volunteer and had no idea that we would be in such high demand to perform in two other care centers. Twice a month the choir performs for about an hour at scheduled retirement lodges. The choir picks songs from a variety of genres that appeal to the patrons. They practice at least twice a week and really enjoy the music and songs.

Having a choir has brought us even closer to our goal of community inclusion, bringing smiles and the love of music to a diverse group of people on both sides of the performances. We are hoping that, by reaching out and word of mouth, we will continue to flourish so we can share this passion with more people in our community.

REPRESENTING TEAM ALBERTA - WADE SZANIK

The Special Olympics Canada Summer Games is a national sporting event for competitive athletes with intellectual disabilities. Each athlete must qualify at the local and provincial level before coming to the National Games. The SO Canada 2018 Summer Games is also a qualifying event for athletes to represent Canada at the 2019 SO World Summer Games.

This year marks the 50th anniversary of the Special Olympics. Over their five-decade span, the SO have helped shape the lives of thousands of athletes. The Town of Antigonish hosted the SO 2018

Canada Summer Games and the community is proud of its historic first.

We would like to send a big congratulations to Wade from Calgary, AB as he qualified this past year and went to compete in the nationals. He received a Gold Medal in the 100M Run and two Bronze Medals, one for the 200M Run and another for the Shot Put - Men 4Kg.

Congratulations from all of Rehoboth, Wade – we are very proud of you!

CAMP REHOBOTH 2018

Kevin Debree, Camp Program Manager

Our theme this year was "God Takes Care of Everyone", and it was so true! We were so blessed to have another amazing summer camp season out here at Gull Lake. Our summer began with Client Week and then moved on to R&R Week, Adult 1, Adult 2, Independent (for young adults), and ended with Youth Week. In total, we were able to minister to 181 campers and 150 volunteers (42 first-timers!).

From the middle of January to the beginning of June, one of the things I focused on was making presentations to schools and churches to thank them for their support, educate them on the services Rehoboth provides, and share what the summer camp ministry is all about, and of course, encourage them to volunteer. This proved very fruitful in the conversations I was able to have with former volunteers, and people being interested in volunteering for the first time. One of the goals of the Camp program is for each camper to have a one-to-one relationship with a volunteer, and we are getting there! If you can make it next summer, we would love to have you come out and experience Camp, especially during R&R and Independent Week, which is where our current need is the greatest.

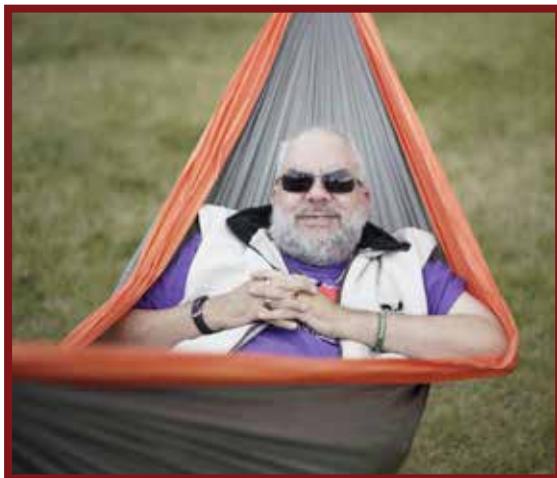

But the best part of Camp is watching lives change! Seeing campers try something new like relax in a hammock, shoot a bow and arrow, participate in a drama in chapel, dance to a campfire song, or hear about God's love for them for the first time is a wonderful blessing. And it all happens because of our amazing volunteers! And the changes I get to see in the volunteers is fantastic as well... seeing them become confident in their ability to be a friend to a person with a developmental disability is the best part of my job. This summer has seen a huge youth movement when it comes to our volunteer base, and I have to say the future is in pretty good hands. I'm really looking forward to seeing what plans God has for the future of Camp Rehoboth!

"May the Lord bless you and take good care of you."
Numbers 6:24

MORE CAMP PHOTOS

CLIENT CAMP A BIG HIT AGAIN!

Client week is one week of our camp program that was designed and planned for individuals requiring more support; paid Rehoboth staff accompany campers with higher needs to ensure no one misses out on camp! We were a full camp this year; welcoming multiple first-time campers and staff who will attest to the emphasis on fellowship and friendship experienced. Client week had many exciting adventures this year; going offsite to the Lacombe Corn Maze, swimming in Ponoka, daily Chapel services, on site games, relaxing in the new hammock village and of course the daily visits to the Tuk shop - campers were as busy or relaxed as they wanted to be!

Client week has been such a success and this year was in such high demand that as we being to plan for next year, we will be adding a second client week. Camp is the only vacation many of our individuals have in a year and our goal is accommodate wherever needed to ensure all individuals can have the opportunity to attend.

On behalf of the entire Client Week Leadership Team, we look forward to seeing you next year!

Thank You to Our Supporters

Rehoboth Christian Ministries thanks all who have contributed in the following manners, from April 2017 through March 2018:

VISION

By the grace of God, all persons with disabilities have a meaningful and dignified place in society where they can live, contribute and fellowship with others.

MISSION

Rehoboth conveys God's love to persons with disabilities and their families by making room for them and enabling them to flourish.

VALUES

Rehoboth values are Christ-like, including: Serving; Compassion; Dignity; Inclusivity; Integrity; Commitment

BELIEFS

We believe:

- That Rehoboth is diligent in using the power of prayer
- That Rehoboth serves God through serving its clients
- That the work of Rehoboth is blessed by God
- That Rehoboth is deliberate in applying and nurturing the God-given talents of everyone involved.

Serving people with disabilities. Helping them *Flourish*.

BOARD OF DIRECTORS:

From a governance perspective, Rehoboth Christian Ministries is led by a Board of Directors, whose members are elected to three year terms by the Society. Currently, the board consists of:

Johan Knol	Vice-President	<i>Coalhurst</i>	Sheldon Kok	Director	<i>St. Albert</i>
Stefan Dykema	Treasurer	<i>Calgary</i>	Janet Postma	Director	<i>Red Deer</i>
Alex Van Geest	Secretary	<i>Ponoka</i>	Bob Dykstra	Director	<i>Burdett</i>
Wendy Abma	Director	<i>Calgary</i>	Joy Monsma	Director	<i>Spruce Grove</i>
Jim Beusekom	Director	<i>Fort Macleod</i>

ESTATE DONATIONS POLICY:

All designated (restricted) donated funds will be used for the sole purpose for which it was earmarked for by the donating family as soon as appropriately feasible, unless otherwise stipulated within the will of the deceased and/or original terms of the donation.

All undesignated estate funds are to be placed in an internally restricted reserve for the purpose of funding significant capital projects. In order for funds to be withdrawn, the executive director will create a proposal and relevant business case to be presented to the board. Pending board approval, the funds will be released for the design, necessary permitting, and construction of the project. Under no circumstances are the internally restricted estate donations to be used for general operating costs.

Until such a time that the internally restricted estate funds are used they are to be held in a separate interest yielding bond account of limited risk exposure. Under no conditions are funds to be used to invest in stocks, shares, ETFs, or any other financial investment that contains inherent financial risk. All interest accrued will remain within the internally restricted estate fund.
